Amy Gardner played at Barton College from 1993-1997. She was an All-South player while at Barton College. Amy now serves as the athletic director at Oakwood School in Greenville. She also serves as a professional trainer/pitching coach.

Amy and her staff will teach the fundamentals of the game of softball. From infield and outfield work, to working with the pitchers and catchers, to working with the hitters, to teaching the art of sliding and running the bases, the young campers will get a week's worth of training from a great staff.

This is a great opportunity for your child to get plenty of exercise, have fun, and learn the game of fast pitch softball plus it's cheaper than a babysitter.

For more information on the camp, call Mickey Davis at 252-230-2467 or email him at mgd39@wcyaa.org. The deadline to register (and pay) is July 11. **No campers registering after June 16 will receive a free camp tee-shirt.**
